CAPABILITY STATEMENT

# WORLD-CLASS PROTECTION. WORLDWIDE.

Total Cover Protective Services is a world-class security, investigative, and training consulting firm. Our agents — drawn from federal law enforcement and the United States military — design, implement, and manage comprehensive threat assessments, protection programs, and investigations for clients ranging from Fortune 500 companies and corporate executives to high-net-worth families, diplomats, royalty, and heads of state. Every engagement is handled with absolute discretion, under NDA.

## CORE SERVICES

---

### Executive Protection

Armed & unarmed close protection, advance reconnaissance, protective intelligence, close-quarters mitigation.

### Secure Transportation

Armored vehicles, multi-agent motorcades, and trained protective drivers — scaled to the assessed threat.

### Resident Security

24/7 residential protection: static posts, patrols, access control, perimeter surveillance, emergency response.

## FULL-SPECTRUM CAPABILITY

---

## WHOM WE SERVE

---

Fortune 500 Companies · Corporate Execs

High-Net-Worth Families & Individuals

Diplomats & Dignitaries · Celebrities · Royalty · Heads of State

## WHY TOTAL COVER

---

### Operators first

Recruited from government and special-forces backgrounds, with decades of international operational experience.

### Professionalism

Every engagement runs to a single standard — disciplined planning, precise execution, and conduct that reflects the principals we protect.

### Total discretion

Inquiries and engagements remain confidential, and data is never shared, sold, or retained beyond the engagement window.

### Worldwide

Strategic partners across the U.S. and abroad — we welcome projects anywhere in the world.
